

Lucian Ionut Manta

Frontend Developer

✉ lucian.ionut.manta@gmail.com 📞 0741411319 📍 Galati

Profile

My name is Manta Lucian – Ionut and I'm an aspiring front-end developer. Currently I'm a novice but I keep on learning everyday. As everyone says, when learning about this field there is no end, it's a continuous evolving path.

I've been intrigued by Informational Technology since a friend of mine bragged about a cool coding trick but only now began to really learn IT.

Education

Frontend Developer May 2022 – Sep 2022
